Keepsake volume measures 6-1/4 wide x 8-1/4 high. 96 pages.

A beautiful meditation on the joys of being a grandparent and a practical guide to help you and your adult children make the most of your relationship with a grandchild. For many grandparents, a grandchild offers a second chance to become the parent they didn't have the time or the energy to be when raising their own children. Being a grandparent, family relationships expert Jane Isay argues, is the opportunity to turn missed opportunities into delight. Drawing on her personal experience, dozens of interviews, and the latest findings in psychology, Isay shows how a grandparent can use his or her unique perspective and experience to create a deep and lasting bond that will echo throughout a grandchild's life. She explores the realities of today's multigenerational families, identifying problems and offering solutions to enhance love, trust, and understanding between grandparents, parents, and grandchildren. She also offers a wealth of practical advice, from when to get involved, when to stay away, and how to foster a strong relationship when you're separated by long distance. Unconditional Love advocates for honest conversation, thinking in the long run and healing breaches in order to be together, understanding that most of us try to do our best and need to be forgiven if we fail. Isay argues that secrets and surprises may tilt the boat but won't necessarily sink it and that grandparents and their grown children are happier when they give each other the benefit of the doubt. Most importantly, she writes, the advent of grandchildren offers families the opportunity for healing and redemption—if we seize the moment. In lovely prose and through delightful stories, Isay shows us how we can. A great gift for grandparents-to-be and a wonderful resource for all,

Unconditional Love is a beautiful and psychologically astute look at what it means to be an engaged grandparent.

Do you wish you had a simple way to preserve all of the important things you wish to say to your grandchild? A 'Biddulph-like' witty and spaciouly-designed survival guide which is both practical and celebratory.

Across the world, the role of grandparents is changing. This book highlights the changing roles, and the consequences of these changes, for both grandchildren and grandparents, by drawing together leading international authorities on grandparenting and intergenerational relations. The book includes scholarly summaries of research as well as new research findings. It should be an invaluable resource for other scholars and students investigating the role of grandparents today. This book was originally published as a special issue of Contemporary Social Science.

Grandma lives in their hearts

This unique keepsake makes it easy and fun for grandparents to share their stories with their grandchildren. The Grandparent Book is organized into sections, each devoted to a stage of life: childhood, teenhood, adulthood, and (best of all) GRANDHOOD! With prompts for collecting grand memories and pages for grandparents and grandkids to fill out together, this journal is a great fuss-free way to bring generations together.

For the fifteen million grandmothers who are keepers of family history and memories, The Grandmother Book is a lively and timely way to record your story for future generations. * Andy and Susan Hilford present the perfect way for grandmothers of all ages to pass along a grandmother's story. The story is one that recounts coming-of-age moments, life-changing events, a look back at what was, family anecdotes and historical insight. With thoughtful, surprising, at times unexpected, and provocative questions, this book is directed to the new generation of baby boomer grandmothers. From early memories of her childhood, to the time she began her own family, to the present as she watches her family continue to grow, this valuable, prompted keepsake ensures that the thoughts, moments, events, images, and ideas that shaped her life are collected in her voice and in her hand for a precious audience. * This grandmother's book of memories includes spaces for special photographs, report cards, family tree, and other cherished memorabilia and keepsakes, along with thoughtful, amusing, memory-nudging prompts to kick-start grandmother's storytelling * A perfect gift on Grandparent's Day, Mother's Day, wedding anniversaries, and birthdays, the book's hardcover binding and decorative four color art ensure its status as a written family treasure for generations to come.

Within each chapter, insightful questions gently encourage you to compile a fascinating family archive, enabling you to pass down stories about your ancestors, your childhood, your family traditions, and your family celebrations, as well as looking forward to the future. At the end of each section, special pages provide a home for treasured family photographs and mementoes.

Grandparents are the reassuring heroes in this sweet story about a boy and girl who go on an overnight visit at their grandmother and grandfather's farm.

Fill In The Grandmother's Journal. Here's a little inspiration to tell your how you really feel. It's hard to put into words. Praying is one of the most vital things we can do for our kids. Just as children need our love at every age, so too they always need our prayers. Cragon provides prayers for every stage of their growth.

Ali's grandma can't hear or see very well these days, and she doesn't remember very much anymore. But Ali likes hanging out with her. So when Ali's mom takes out a wooden trunk full of Grandma's old photos, he sits with his grandmother, trying to figure out who is in all the old pictures. At first, his grandma doesn't seem to remember. But with a little help from Ali, she is soon sailing through the photos--and taking Ali along with her through the wondrous journey of her life. With daring, joy, and love, Ali's grandma shows him the importance of making and sharing beautiful memories that will live on in the ones we love. First published in Turkey, this endearing picture book is a joyous celebration of life, family, and love.

NEW YORK TIMES BESTSELLER • The perfect gift for new parents and grandparents this Mother's Day: a bighearted book of wisdom, wit, and insight, celebrating the love and joy of being a grandmother, from the Pulitzer Prize-winning columnist and #1 bestselling author "This tender book should be required reading for grandparents everywhere."—Booklist (starred review) "I am changing his diaper, he is kicking and complaining, his exhausted father has gone to the kitchen for a glass of water, his exhausted mother is prone on the couch. He weighs little more than a large sack of flour and yet he has laid waste to the living room: swaddles on the chair, a nursing pillow on the sofa, a car seat, a stroller. No one cares about order, he is our order, we revolve around him. And as I try to get in the creases of his thighs with a wipe, I look at his, let's be honest, largely formless face and unfocused eyes and fall in love with him. Look at him and think, well, that's taken care of, I will do anything for you as long as we both shall live, world without end, amen." Before blogs even existed, Anna Quindlen became a go-to writer on the joys and challenges of family, motherhood, and modern life, in her nationally syndicated column. Now she's taking the next step and going full nana in the pages of this lively, beautiful, and moving book about being a grandmother. Quindlen offers thoughtful and telling observations about her new role, no longer mother and decision-maker but secondary character and support to the parents of her grandson. She writes, "Where I once led, I have to learn to follow." Eventually a close friend provides words to live by: "Did they ask you?" Candid, funny, frank, and illuminating, Quindlen's singular voice has never been sharper or warmer. With the same insights she brought to motherhood in *Living Out Loud* and to growing older in *Lots of Candles, Plenty of Cake*, this new nana uses her own experiences to illuminate those of many others. Praise for *Nanaville* "Witty and thoughtful . . . *Nanaville* serves up enough vivid anecdotes and fresh insights—about childhood, about parenthood, about grandparenthood and about life—to make for a gratifying read."—The New York Times "Classic, bittersweet Quindlen . . . [Her] wonder at seeing her eldest child grow into his new role is lovely and moving. . . . The best parts of *Nanaville* are the charming vignettes of Quindlen's solo time with her grandson."—NPR

A grandparent is so many things a storyteller, a teacher, a memory keeper. They can make an adventure from an ordinary day. They give us a place to belong, and a hand to hold along the way.

The perfect gift for your grandfather (ideal for Father's Day and birthday giving), this beautiful keepsake memory book is designed to capture and preserve grandfather's unique memories, from the days of his own childhood through the precious moments he spends with his grandchild. Includes digital media prompts as well, for the modern grandpa! Gorgeously designed, this charming guided journal offers a place to chronicle grandfather's own life story, keep a living record of his experiences, and record his hopes and dreams for his grandchild. Each page includes thoughtful prompts to inspire grandpa to record his most meaningful memories, plus plenty of space for including memorabilia and photographs.

This heartfelt manual is an indispensable and easily referenced resource for grieving grandparents, offering them a way forward after the death of a grandchild. Whether they were close to their grandchild and keenly feeling his or her absence, or even if they were not close to the child and are mourning the loss of a relationship they'll never have, this book offers grandparents compassionate comfort and practical ideas for their journey through grief, addressing as well the unique pain of watching their children mourn the loss of their child. The ideas offered in the book clarify the basic principles of grief and mourning and offer immediate suggestions for things grandparents can do to embrace their grief, honor and remember their grandchild, and begin to heal.

Scott, New York Times Book Review, cover review Following on the heels of his New York Times bestselling novel *Telegraph Avenue*, Pulitzer Prize-winning author Michael Chabon delivers another literary masterpiece: a novel of truth and lies, family legends, and existential adventure—and the forces that work to destroy us. In 1989, fresh from the publication of his first novel, *The Mysteries of Pittsburgh*, Michael Chabon traveled to his mother's home in Oakland, California, to visit his terminally ill grandfather. Tongue loosened by powerful painkillers, memory stirred by the imminence of death, Chabon's grandfather shared recollections and told stories the younger man had never heard before, uncovering bits and pieces of a history long buried and forgotten. That dreamlike week of revelations forms the basis for the novel *Moonglow*, the latest feat of legerdemain from Pulitzer Prize-winning author Michael Chabon. *Moonglow* unfolds as the deathbed confession of a man the narrator refers to only as "my grandfather." It is a tale of madness, of war and adventure, of sex and marriage and desire, of existential doubt and model rocketry, of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury, and, above all, of the destructive impact—and the creative power—of keeping secrets and telling lies. It is a portrait of the difficult but passionate love between the narrator's grandfather and his grandmother, an enigmatic woman broken by her experience growing up in war-torn France. It is also a tour de force of speculative autobiography in which Chabon devises and reveals a secret history of his own imagination. From the Jewish slums of prewar South Philadelphia to the invasion of Germany, from a Florida retirement village to the penal utopia of New York's Wallkill prison, from the heyday of the space program to the twilight of the "American Century," the novel revisits an entire era through a single life and collapses a lifetime into a single week. A lie that tells the truth, a work of fictional nonfiction, an autobiography wrapped in a novel disguised as a memoir, *Moonglow* is Chabon at his most moving and inventive.

The book addresses the pain grandparents feel about their grandchildren, the worry and anxiety they feel that their grandchildren's future will not include the Catholic faith-or any faith at all-and explains what can be done about this. Hunt affirms the importance and significance of a grandparent and shows how their role is even more important today than in generations past. His inspiring message to grandparents is: You can do this-failure is not an option and apathy is unacceptable. You can and must fight the culture's pull where your grandchildren are concerned, because whoever wants your grandchildren most will get them. Grandparents will see themselves as key influencers in their grandchildren's lives, and a major predictor in their futures, second only to parents (and in many instances, even more influential, as research proves).

An ingenious "fill-in-the-blanks" album for Grandfather to complete. When finished and given to his grandchild it contains his likes, dislikes, wedding picture, happiest memories -- and more. Lighthearted color illustrations throughout.

In this book Kornhaber and Woodward explore the vital connections which link generations to each other and expose a new social contract that destroys the emotional bonds between grandparents and grandchildren., This is the first book which reviews, in a careful ethnographic manner, the relationship of grandchildren to grandparents and the place of love at one end and abandonment at the other by grandparents. The authors probe the deep, unexplored emotional histories of hundreds of grandparents; how they feel about themselves, their grandchildren, and their loss of function within today's nuclear family., With sharp increases in the number of broken families and working mothers, grandparents are more vital than ever and also more available than ever. This basic research document shows how grandparents recover their natural role as elders of the family and of society. The author's basic premise is that to exist is to be connected, and that no matter how grandparents act, they affect the emotional well-being of their grandchildren, for better or for worse, simply because they exist., In an age when mounting economic and social pressures make it increasingly easier to split a family than to sustain one, the authors alert us to a forgotten source of family strength, the power of grandparents to enrich the lives as a whole. The case studies reported in this volume represent a first effort in an area left unexplored by developmental researchers. There are lessons here for social scientists, but even more for our alienated society.—Urie Bronfenbrenner, Cornell University

Grandfathers connect us to the past and give us the wisdom we need to face the future. That's why this artfully designed keepsake offers grandfathers their own special vehicle for sharing their lives with the youngest generation. The contemporary styling and irresistible format--featuring helpful questions written from the grandchild's perspective--make it wonderfully easy to explore family history. There's space to mention favorite relatives, jot down beloved stories, and pass on the important lessons that Grandfather learned from his parents--and grandparents. He can recount details of his childhood and teen years; reminisce about how he met Grandma; and reflect on his own experiences with fatherhood. Because the grandchild is also the star, there are questions to inspire Grandfather to remember when he first saw his grandchild, reveal what he likes best about being a grandparent, and relate how being a grandparent has changed who he is as a person. And of course, this essential volume has plenty of room to paste in precious photos and mementos.

Many grandparents want to chronicle the birth of their grandchild--and capture precious milestones as baby grows. They can record every moment in A Grandparent's Keepsake Album, from first bath to first holidays. Beautifully illustrated, it offers creative prompts and space for adding notes, photographs, cards, and other memorabilia. This special book will become a treasured heirloom that grandparents can share and pass down from genera-

tion to generation.

This grandparent's memory journal takes you on a journey that will become a cherished family memoir. Designed in a 12-month format, each month features 12 intriguing questions with space to write a personal answer. Questions explore family history, childhood memories, lighthearted incidents, cherished traditions, and the dreams and spiritual adventures encountered in a lifetime of living. The written words become windows to a grandparent's heart.

It takes a village to raise a child with autism. The role of grandparents cannot be overstated. As a grandparent, your ability to embrace your grandchild and support his or her parents is perhaps the essential gift you can offer your family. For parents facing the challenges of raising a child with autism, the burden is emotional, physical, financial and social. Parents need family to help them with the responsibility. Grandparents have the power to make life more manageable for your children and your grandchild. Filled with practical information, this book will undoubtedly give you the tools you need to provide stability, support and strength to your grandchild with autism. You will be empowered to be the best you can be.

A collection of moments big and small from a grandmother to her grandchild A grandparent's wisdom is priceless, and so is this beautiful guided journal for grandmothers to record their memories, advice, hopes, and dreams for their grandchildren. This lovely, hidden-spiral-bound memory book has inspiring prompts, sweet quotations about family, and places to paste in favorite photos, enabling a grandmother to create a one-of-a-kind keepsake her grandchild will treasure for years.

Create a family keepsake that generations to come will treasure! This unique memory book is a great way to tell your grandchildren all about you, from the wild things you did as a teenager to your early memories of their parents. Along with plenty of prompts and fill-in-the-blanks, there's space for mementos and photos, and for passing along childhood memories, family history and traditions, and favorite stories.

Share Your Love, Share Your Stories! Your grandchild is the cherished next chapter of your family's story. Let this guided journal help you share your own chapter of this story with your grandchild. The prompts will help you use your own words to tell your life stories from childhood to present day. Share memories of your parents and your schooldays, the important lessons you learned as a young adult, the wisdom you've gained from raising a family, and the hopes and dreams you have for your grandchild. Whether you live around the corner or across the country from your grandchild, the stories you share in these pages will connect the generations of your family for years to come.

Grandpa can hardly wait! Starting with the anticipation of a new baby's arrival, this book from Emmy Award-winning comedian Billy Crystal celebrates all the moments, great and small, that a new grandpa is ready to share. Whether it's taking a nap together or attending baseball games, this grandpa just can't wait for his grandchild to be born.

"Whether your grandchildren live with you, just around the corner, or a thousand miles away, praying for them every day is one of the most important ways you can show your love and concern. This follow-up to Julie Cragon's bestseller, Bless My Child, combines original and traditional prayers and devotions designed to help you to place the joys and worries you experience as a grandparent back in the hands of God"--

The New York Times Bestseller From one of the country's most recognizable journalists, Lesley Stahl of CBS's 60 Minutes: How becoming a grand-

mother transforms a woman's life. After four decades as a reporter, Lesley Stahl's most vivid and transformative experience of her life was not covering the White House, interviewing heads of state, or researching stories at 60 Minutes. It was becoming a grandmother. She was hit with a jolt of joy so intense and unexpected, she wanted to "investigate" it—as though it were a news flash. And so, using her 60 Minutes skills, she explored how grandmothers changes a woman's life, interviewing friends like Whoopi Goldberg, colleagues like Diane Sawyer (and grandfathers, including Tom Brokaw), as well as the proverbial woman next door. Along with these personal accounts, Stahl speaks with scientists and doctors about physiological changes that occur in women when they have grandchildren; anthropologists about why there are grandmothers, in evolutionary terms; and psychiatrists about the therapeutic effects of grandchildren on both grandmothers and grandfathers. Throughout Becoming Grandma, Stahl shares stories about her own life with granddaughters Jordan and Chloe, about how her relationship with her daughter, Taylor, has changed, and about how being a grandfather has affected her husband, Aaron. In an era when baby boomers are becoming grandparents in droves and when young parents need all the help they can get raising their children, Stahl's book is a timely and affecting read that redefines a cherished relationship.

This beautiful journal, with great colors interior, can either be completed by Nana, and then given to a grandchild, OR Nanas grandchild can give it to her for completion. This is the perfect keepsake gift to ensure Nanas memories are written down in her own words and handwriting, so that they can be preserved forever and leave a lasting legacy for years to come. This Nana journal contains prompts and questions and enough space for Nana to record her own stories and memories and to journal her own thoughts freely. The prompts are simply suggestions to give Nana ideas of stories she can share with her grandchild, and allows her the freedom to decide what she wants to include. The lined pages provide Nana with plenty of room to write her answers to the guided prompts. Some guided prompts included in the book are: * Questions about Nanas early years including where Nana was born, when, her given name, her parents, siblings and grandparents names * Nanas earliest childhood memory * How Nanas parents met, and what they did to earn a living * Nanas grandparents and their interests, personalities, and skills * Nanas heritage and information on ancestry and family traditions * What life was like for Nana compared to what life is like for children today * Where Nana went to school, what grades she attended, what her favorite school subjects were, what she liked and didnt like about school * Nanas first jobs * How Nana met your grandfather, their engagement, and wedding * Nanas memories of her own children * Nanas memories of the day her grandchild was born, funny stories to share, etc. * 18 random things you didnt know about Nana * Nanas love letter to her grandchild, including her hopes and dreams for her grandchild * The best lessons Nana learned in life that are important for her grandchild to know * What Nana loves about being a parent and a grandparent * The best piece of advice that Nana has for her grandchild * Nanas tips for how to get through the hard times in life * Nanas view on what is most important in life and why This journal serves to demonstrate where Nana came from, and how she has become the person she is today. This journal makes a great Christmas or birthday gift, Valentines, or even a unique pregnancy announcement! Make the decision to have Nana record her memories and life for her grandchild, and she will live on forever in her words and stories that only she can tell.

This 6 x 9 inch 120 blank lined page journal features a space at the top of each page for a date, name, title or child's name. What a great way to introduce yourself to your new grandchild, or tell your story to your grandchildren. Excellent legacy gift for grandmothers and grandfathers. Awesome gift for grandparents day, a gender reveal party, or Christmas.
