Hemmings MG Project A buildup for a good cause. Our 1980 MGB arrived at Hemmings a while ago via the good folks of the Good News Garage, a program of Lutheran Social Services that accepts vehicle donations and provides transportation for people in need. GNG usually repairs the vehicles it receives, and turns them over to low-income families or individuals who need transportation to a job or school.

I purchased this book thinking it was an updated version of the "Guide To Purchase and DIY Restoration of the MGB". I was really surprised to find that the new edition lacked many of the tutorials

found in the original book, and was more geared toward people reselling their MGB using the Heritage body shells now available.

MGB Buyers Guide Manufactured from 1962 to 1980 by the British Motor Corporation and later British Leyland, the MGB is considered by many to be the ideal English sports car. With more than 500,000 produced they were certainly popular in their day and time has shown both the roadsters and the grand touring "GT" models to have enduring appeal.
