Job Interview Tips - How to Prepare For a Job Interview

How to Prepare. The key to a successful management interview is to focus on ex-

amples in your past that will support your answers. Specific examples (with names and places to add detail) add depth and meaning to your answers. Giving an answer based on philosophy alone will not suffice in a management interview.

The best way to prepare for this question is to prepare an elevator pitch about who you are. Skip your personal history and give about 2-3 sentences about your career path and how you ended up in this interview, applying for this job. You don't need to be too detailed, there are plenty of more questions coming.
