Periodic Table Project Questions ... similar to the Periodic Table of Elements A basic description of how the project is similar to the Periodic

periodic table does not have to look anything like the ...

Dmitri Mendeleev published the first periodic table in 1869. He showed that when the elements were ordered according to atomic weight, a pattern resulted where similar properties for elements re-occurred periodically. Based on the work of physicist Henry Moseley, the periodic table was reorganized on the basis of increasing atomic number rather than on atomic weight.
