Classical Art encompasses the cultures of Greece and Rome and endures as the cornerstone of Western civilization. Including innovations in painting, sculpture, decorative arts, and architecture, Classical Art pursued ideals of beauty, harmony, and proportion, even as those ideals shifted and changed over the centuries.

Classics or classical studies is the study of classical antiquity, and in the Western world traditionally refers to the study of Classical Greek and Roman literature in their original languages of Ancient Greek and Latin, respectively. It may also include Greco-Roman philosophy, history, and archaeology as secondary subjects. In Western civilization, the study of the Greek and Roman classics ...

The Art Of Living is a small book (144 pages) with big messages. I consider this book a personal development classic because while it's a modern book (1994), it's author Sharon Lebell's "interpretation" of the classic work by stoic philosopher Epictetus. Epictetus was born in A.D. 55 in the eastern outreaches of the Roman Empire.
