Why You Should Awaken Your Third Eye

A blocked third eye or ajna chakra is said to lead to confusion, uncertainty, cynicism, jealousy and pessimism. Through an open and vibrant third eye, the highest source of ethereal energy may enter.

Third Eye Awakening is the ultimate guide that will take you on an exploration of light, the eternal light that illuminates everything and makes us happy, grateful, pious, and more humane. The third eye, the source of this light, rests in your mind.

Third eye chakra can be awakened only through intense 'sadhana' (or deep meditation). When I say intense, I'm not referring to time but the intensity. The only way to open the third eye and witness the supreme divinity is by crossing the barrier of your own mind i.e. your causal body.

A Cambodian Shiva head showing a third eye The third eye (also called the mind's eye or inner eye) is a mystical and esoteric concept of a speculative invisible eye, usually depicted as located on the forehead, which provides perception beyond ordinary sight.

A step by step method to awaken the third eye and engage spiritual vision. A manual packed with practical information and techniques on clairvoyance, dowsing land energies, psychic sleep, perceiving acupuncture meridians, psychic protection and grounding. The book also presents a number of fundamental principles of the Clairvision work.

In New Age spirituality, the third eye often symbolizes a state of enlightenment or the evocation of mental images having deeply personal spiritual or psychological significance. The third eye is often associated with religious visions, clairvoyance, the ability to observe chakras and auras, precognition, and out-of-body experiences.

When the 3rd eye awakening happens, there are some remarkable effects on your thinking and feeling. The third eye (also known as the mind's eye situated between your eyebrows) is the sixth chakra with powerful abilities. Usually, this area or chakra becomes active when the person has reached a certain level of

awareness and consciousness. Once that the individual possesses compassion, love, integrity, and responsibility, then the third eye opens and reveals new ways of self-development.

The third eye, in the ancient Hindu and Buddhist tradition, corresponds with the sixth chakra (Ajna) located at the center of the forehead between the eyebrows. This center represents the inner eye, able to perceive reality beyond the ordinary vision, it is the door of clairvoyance and of the superior vision.
